

Behind the Scenes: Marketing and Business Development

Redmond Bacon

Nora Christians

Benjamin Mathews

Alexandru Naghi

Eamon Regan

Dexter Slabbert

Behind every newsletter, every booth, every social media post, the marketing team at BenBau is working hard to ensure that we remain at the top of mind for clients when it comes to delivering concrete solutions for data centres.

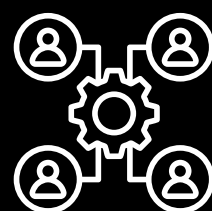

Led by Redmond, with Eamon, Nora and Ben on Business Development, and support from Dexter and Alexandru for specialised marketing content, the team has rolled out a new:

Website

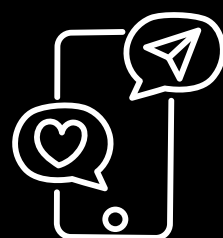

CRM Platform

Monthly Newsletter

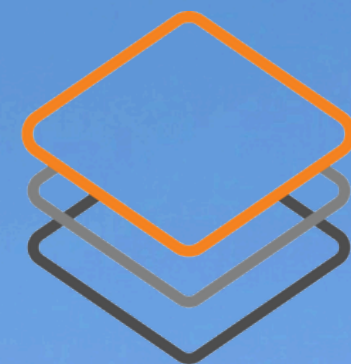

Company Presentation

Social Media Approach

We have also upped our presence at international data centre conferences, and recently attended Kickstart in Amsterdam.

Up next: Data Centre World Frankfurt in May. Are you going? Feel free to connect with us in the comments!
